

CASE PAOLIN

VIGNAIOLI DI NATURA

Case Paolin is nestled in a territory that has a natural vocation for great wines. In fact, the characteristic clay of the Montello offers soil that is rich in iron and other noble mineral components, which are combined with a particularly favourable microclimate. The centuries under the dominion of the Serenissima Republic of Venice moulded the nature of this lush frame surrounding the March of Treviso.

This wine is created from the Cabernet Sauvignon and Cabernet France vineyards, located around the farm in Belvedere di Volpago del Montello.

The organisation of the vineyard, time of harvest and type of vinification have been researched to obtain a cabernet that has pronounced notes of red fruit in the bouquet and is round and smooth to the palate.

The equilibrium of VENETO CABERNET IGT of Case Paolin makes it suitable for combination with important first courses and second courses with white or red meat.

It should be served at temperatures from 18 – 20° C.
