

The Tiare winery spreads out over 10 hectares of vineyards covering two of the most interesting areas of Friuli Venezia Giulia: Collio and the Isonzo. The white wines are produced in Collio, for its marl soil and a microclimate exceptionally suitable for the production of Whites. The winery produces an average of 100,000 bottles a year.

2014 Sauvignon Blanc

Country: Italy
Region: Collio

AB Sku: 775388
Case: 6/750 mL

BC Sku: 85423
Spec

Grape variety: 100% Sauvignon

Alcohol content: 13.5% vol.

Temperature for serving: 10- 11 °C. Serve in a stem glass, not too wide and with a flared mouth.

Tasting notes: the 2013 vintage is seductive. Straw yellow colour with greenish tints and intensely crystalline. The fruity and varietal fragrances are extensive, interesting and complex: hints of elderflower and pleasant citrus notes, combined with aromas of sage and hints of boxwood with a subtle scent of tomato leaf and a finish reminiscent of geranium. Gradually one gets peach aromas and those of pasta bianca and lychees. In the mouth, it has character and structure, it's persistent and harmonious. Its high acidity confers an interesting freshness to the wine. It is a wine that will age well.

Serving suggestions: excellent with sea-bass or bream, shellfish and seafood. It goes very well also with delicate risottos and first courses, and with a simple plate of spaghetti with tomato sauce, maybe confit, it's a match made in heaven.

2014 Tiare Friulano

6/750 mL AB SKU +775389

Grape variety: 100% Friulano

Straw color with golden highlights and a citrusy scent, accompanied by hints of flowers dried fruit. The flavor is full-bodied, dry and harmonious.
